

REMEMBER THIS IF YOU COMMENT ON LFP

Be as respectful & courteous of others as you wish them to be of you.

Content abuse violators & objectionable content violators may be banned permanently as defined entirely by LFP.

Fair comment is allowed to express statements on matters of public interest, as long as the statements are not made with ill will, spite, or with the intent to harm the target of the comment.

Fair comment is permissible as a statement of opinion (no matter how ludicrous or irreverent) based on facts which are correctly stated, and which does not allege dishonorable motives on the part of the target of the comment.

Libelous, defamatory, injurious, slanderous & harmful comments tending to maliciously discredit, malign or be harmful will lead to the comment being immediately edited or deleted as well as the originator being permanently banned.

P.S. Not to mention probably being sued for damages arising out of your vain stupidity!

Swearing, cursing, cussing, insulting & pornographic content may lead to the comment being immediately edited or deleted depending on how the Editor feels at the time as well as the originator being permanently banned
